*Take to the air in style*

## ◀ SHARE A SUPERYACHT

*The good life on the ocean waves*

More than 95% of yacht owners use their boat for just four weeks of the year yet they pay its costs all year round. SeaNet has the solution: now you can enjoy a luxury yacht without the headache of being its sole owner. The company offers co-ownership of beautiful Benetti yachts, starting from €1.75 million for 25% ownership guaranteeing seven weeks' usage per year. Opt to share a yacht with up to three other co-owners and purchase shares of between 25% and 75%, which can be sold at any time. Only annual charges, starting from €500,000, apply, and are shared by all owners. [seanetco.com](http://seanetco.com)

## TASTE OF SUCCESS ▶

*Investing in a different vintage*

If you want to combine a love of fine wines with a winning investment strategy, then Cru Wine Investment could be the answer. The global fine wine trade is worth more than £3.5 billion a year and has outperformed most traditional asset classes over the past 15 years. London-based Cru Wine Investment was established in 2013, expert in fine wine investment and portfolio management. The company will purchase wines on behalf of clients and store them in the UK.
